<i>Information from National Roll of the Great War</i>
No relevant entry identified

<i>Additional Information</i>

Private 'A.SMITH' is commemorated among the 27 names on the brass memorial tablet on the wall inside the church in Bugbrooke.

It has not been possible to identify him and his service or date and cause of death.

His family should have received a bronze Memorial Plaque and any medals he may have earned.

Unless and until further biographical and/or military detail is available, there is sadly little hope of identifying this soldier.
