LINK MAGAZINE ISSUE 11

Hi Everybody

Here we are with the Spring edition of your magazine and a new method of reproduction; you may notice we have reduced the number of pages by reducing the print size, this has been possible by the use of litho printing. We will now be able to reproduce photographs or illustrations with your articles where appropriate and hopefully this will stimulate ideas and increase your enjoyment of the magazine.
The management committee would like to remind readers that our A.G.M. will be in May this year, venue and time to be announced later. At the A.G.M. both the magazine treasurer and yours truly (Editor) will be standing down and therefore we would like to invite applications from interested parties for these positions. If you would like to be considered for either position please contact any committee member. Remember that without an active team the magazine cannot continue.
Finally due to a mix-up over dates some contributers material has not been published in this issue, we would therefore like to apologise to these people and undertake to publish their contributions in the next issue. Thanks for your support over the last year and I look forward to the continued success of the magazine.

Keith Jenkins (Editor)

Deadline for next issue: 31st May 1985
Cost of advertisements:

£8	-	Full Page
£4	-	Half Page
£2	-	Quarter Page
Line adverts	-	75p for 20 words

BUGBROOKE ALLOTMENT ASSOCIATION

It is now 2 1/2 years since the association were forced to vacate the Gayton Road site. During this time the Parish Council have explored a number of possibilities for providing allotments, unfortunately with no success. The Parish Council in conjunction with the association have agreed that in order to provide allotments for the village, land will have to be compulsorily purchased. A number of sites are now under consideration, & the association have been asked to indicate their preference by the end of April. This will therefore be the major item for discussion at the annual general meeting of the allotment association which will be held at the Sunday School on Weds. 24th April at 8.00 p.m., all members and anyone interested in acquiring an allotment are urged to attend.

Remaining in the West End area, the Parish Council's request for kerbing and a weight restriction (buses excepted) has not been met with any enthusiasm by the County Council who state that the kerbing in this area has a low priority rating and that they have no staffing resources at present to investigate the suggested weight restriction. The Parish Council were reluctant to accept this situation and will pursue the matter with the County Council.

The question of the provision of allotments has not been forgotten. The officers of the Allotment Association have viewed a number of possible sites and will report their findings to all the members of their Association. A recommendation will then be submitted to the Parish Council regarding the acquisition of the most suitable site, if necessary by Compulsory Purchase proceedings.

A copy of the County Structure Plan has been sent to the Parish Council for any comments they may have - which must be received by the County Council by the 24th May. The Plan makes Bugbrooke a limited development village which, by the year 2001, will have 110 additional houses and 2 small industrial estates.

A letter was received from the County Council upon the Transport Bill. the County Council were opposed to this Bill which they consider would reduce the existing bus services by ending the practice of cross-subsidisation (i.e. where part of the income from profitable routes helps towards the cost of less profitable routes).

Councillors Jack Holt and Ken Gardner are to plug the gap in the hedge at the grassed area in Homestead Drive which is used as a short cut to Campion School. Mr Roberts, the Headteacher at the school, will be only too pleased if dog owners are discouraged from taking "walkies" on the school playing fields and leaving health hazards, in their wake.

The Parish Council also considered one or two minor planning applications, approved various accounts, noted that their collection for Cancer Research had raised over £248 and were reminded that the Annual Parish Meeting will take place on the 15th April.

DAVID HARRIES

WALKING

The growing season is just beginning and paths and stiles become overgrown and need clearing. There is much work to be done from now on and it is often more than one man's work - ANY VOLUNTEERS?. Please contact as below.

In issue No. 9 of Link, I said that it might be possible to persuade the County Council to produce an up to date map of the parish paths for sale in the village. The NCC have now discovered that they have a stock of the old maps and cannot produce a new one until these are sold. The NCC are preparing a map of the Nether Heyford Parish paths and it is hoped to be able to sell our old copies at the same time as the Nether Heyford maps go on sale. It will increase the area for walking if both maps are purchased and used. I cannot say when they will be on sale but will report further in the next issue of Link.

Keep walking and keep to the paths.

Colin Nuttall, 25 The Paddocks. Tel. 830658

CUB SCOUTS

The waiting list for the above has now been considerably shortened, and if you want your son to join, please contact the leaders, as below. The packs meet on Tuesday and Wednesday nights at the Village Hall from 6 pm to 7.30 pm. The minimum age is 8.

Tuesday Akela: Sue Saunders, 5 Festival Rd, Pattishall.
Tel. 9 - 830448

Wednesday Akela: Anne Gathouse, 39 Georges Ave.,
Tel. 830158

Report on the Cubs 7-a-side Football at the Campion School Field on 30th March.

The Badgers team was:

Stuart Edwards

Aaron Austin — Matthew Cross
Daryl Hill — Glen Hammons (Capt)

Neil Chambers
Ian Hammons.

The Foxes team was:

Adam Berwick

James Robinson — Gary Medcraft
Tony Collins — James Bradbury (Capt)

Robert Frost
Gregg Wooton.

Just before the first game that the Badgers were in, it began to rain (as you will find out). The Badgers took the kick-off and at half-time the score was 0 - 0. Weedon took the kick-off in the second half. With one minute to go, Neil passed the ball to Glen who beat 2 defenders and the goalie, the final score being 1 - 0. The second game was against Daventry Grange, they only had one defender, so Glenn kept whacking the ball upfield and Ian ran on to it and scored 2 goals. In the second half, Glenn scored another goal, making the final score 3 - 0.

When Bugbrooke Badgers played Bugbrooke Foxes, the rain was tipping down, you could hardly see the ball, but Aaron got it to Glenn who passed to Neil, and he shot the ball past Adam who was unlucky because I bet he could hardly see the ball. In the second half, Stuart (our goalie) had his first touch of the ball, and so did defender Matthew. With about 3 minutes to go it was called off because of the weather. In the end, we won the shield, the first time the Badgers had won it.

Glenn, Neil and Ian.

BUGBROOKE AMATEUR DRAMATIC SOCIETY

On behalf of the above society I would like to take the opportunity of thanking everyone who supported our last production pantomine "SING A SONG OF SIXPENCE" which proved to be a great success.

Our next production will be the spring play "THE ANNIVERSARY" which will take place at Campion School, Bugbrooke on Friday 17th and Saturday 18th May 1985. Curtain up 7.30 prompt.
This is a remarkably well written human situation comedy based on a South London family. The central character is a very possessive mother, and the action takes place in the living-room of her house at 6 p.m. on a Friday evening, the family having been brought unwillingly together to celebrate her wedding anniversary (regardless of deceased Dad). Revolt is in the air, and the events which follow make this a very very funny play.

Bugbrooke Conservative Association

The Annual General Meeting of the Branch was held on March 5th. Reports for 1984 were given by the Treasurer and Secretary. Both reports were unanimously accepted. The election of officers and committee ensued with the following results:- President, Mr J. Lockhart; Chairman, Mr J. Sexton; Secretary, Mrs D. Jones; Treasurer, Mr J. Hammons.
Members of the committee:- Mesdames G. Bird, P. Raybould and K. Riggall; Messrs D. Edwardes, J. Gilkes, G. Oliver, B. Piper and J. Terry.
The elections were presided over by Mrs Sally Foulkes. J.P., the Rural Areas Chairman.
Mrs Foulkes then welcomed Councillor Mrs Joan Green to the meeting and Mrs Green spoke of her work as a County Councillor, which was sadly coming to an end since after eighteen years service on the Council, she has decided to retire.
However, Mrs Green expressed her pleasure that a member of the committee, Mr John Terry of West End, had been adopted as the Conservative candidate for the forthcoming County Council Election.

ACTION RESEARCH - BUGBROOKE GROUP

The fund raising events held during 1984 resulted in £475 being made for Action Research. Thank you to everyone who helped in any way.
The 1985 events have been arranged as follows:-

Saturday 18 May	JUMBLE SALE Sunday School Hall - 2 pm
Saturday 31 August	SALE OF WORK Sunday School Hall - 10 am to 4 pm
Saturday 26 October	HALLOWEEN DISCO FOR CHILDREN 7-11 Yrs Sunday School Hall - 6-30 pm to 8 pm

With regard to the Sale of Work on 31 August, if anyone would like to have a stall at this event to sell craft items etc, please contact FLORANCE EDWARDS - 831051 or SANDRA LEESON - 831018. A small fee for stalls will be made to cover the cost of the Hall etc. Further details on application.
Should you have any item you would like to donate, we would be very grateful. Also, if anyone could help in any way with this event, please contact FLORANCE EDWARDS or SANDRA LEESON or any Committee Member.

A Tale of a Small Village

Once upon a time there was a small village where nothing happened on Saturday afternoon. Some people liked it this way but a lot of people did not. One day some bright spark said "Lets have a game football or rugby or something" "What a good idea" said a lot of others "Where shall we play?" Oh dear! there was nowhere so another good idea came to nought. Or did it? Fortunately for this little village there was more than one bright spark and they got together and refused to let the good idea die, they formed a committee to do something about the lack of a playing field and set about raising the money to buy one.
Do you recognise the little village?
Of course you do it's good old Bugbrooke, now to cut a long story short that original committee did a great job, they fired peoples imagination, persuaded them to dig into their pockets and the PLAYING FIELDS were born.
Since that time very many people, not just sportsmen and women, have had much pleasure playing, watching others play, letting the children play in safety or simply enjoying the country at Bugbrooke playing fields. It is a facility the village can be rightly proud of; but time does not stand still the wooden huts that have served us so well for so long are nearing the end of their useful life and need replacement with more permanent structures. So the time has arrived again when the people of that little village must fire their enthusiasm, dig into their pockets and this time build on the efforts of those that went before.
The Playing Fields Association needs to raise a great deal of money if we are to carry on the good work, so you can be sure that you will hear more from me in the future as our push to help this village progresses.
We have a major fund raiser, our fete, in July this year on Sunday 7th at the playing fields, please mark the day in your diaries and come in your thousands. The annual general meeting of BPFA is being held this year on 23rd April at the playing fields at 8.00 pm. The main item of business is to elect a new committee so come along and take part and have your say. Any resident of the village is eligible to vote and stand for election so come and help run YOUR playing field.
Currently the committee is as follows
Mark Smyth, John Curtis, Roger Geary, Ollie Bubb, Leo Bulliman, John Chapman, Pam Hollis, John Goodman, Jane Causebrooke, Geoff Poynton, Freda Burditt, Ernie Cambrey, Margret Stone, John Blair (Chairman), Fred Curtis (Treasurer), David Harries, C Hampson
See you all in April and July.
John Blair Chairman BPFA

The door-to-door collection organised by the Parish Council in aid of Cancer Research in November last year raised £248.75.

W.I. Notes

Our May meeting has been brought forward to April 29th to avoid the May Day Bank Holiday and we shall be having a social evening after discussing the resolutions for the A.G.M. at the Albert Hall, London, in June. These resolutions include drug addiction, acid rain, world food production and the death grant so come along and air your views on these important subjects. During May we are having an evening out at Turners Merry-Go-Round at the 70th Anniversary celebrations of the W.I. Movement and also we have arranged trips up the Express Lifts Tower so are hoping for fine weather. The speaker for the meeting on June 3rd has unfortunately had to cancel due to illness and, at the time of this magazine being printed, we have not yet had confirmation of the replacement so members should look for the posters or come along for a surprise.

Over 40's Heart Therapy Club

This Club was started in 1977 to help people who suffered from coronary heart disease and their families in the way of a self help group, after having heart disease. Col. Morgan was the secretary who very efficiently formed a very active group, which has continued since then. Dr. McQuillan who is the District Medical Officer, is the President, and the Health Education Council initially helped financially to set this group up, now this is self financed. The present secretary is Mr. Chaffer who lives in Harpole - 6 Manor Close, Harpole - telephone number 830639.

There are about 30 to 40 active members and their spouses who attend the monthly meetings, the 1st Wednesday of each month at 7.30 p.m. at Nether Heyford Village Hall. Usually there is half an hours physical activity organised by Mrs Edwina Pearcey, who is a P.E. Teacher at Duston and provides this service and runs this group voluntarily, which she has been doing since the group started.

The Club has been going nearly 8 years very successfully. Any person who is interested in heart disease, or has any problem and wishes to be helped by such a self help group, can contact Mr Chaffer who will provide further information. The activity of the Club, besides regular monthly meetings, involves visiting and advising people on coronary heart disease.

BUGBROOKE AMATEUR DRAMATIC SOCIETY

Proceeds of the Carol Party held at Hollybank, Bugbrooke, in aid of the Bugbrooke Ward, Princess Marina Hospital, in December 1984 amounting to £20.66p were handed to Mr R. Myers to pass on to the Hospital. Our grateful thanks are extended to all those who attended and to those who contributed raffle prizes and refreshments.

Nature Report

We read in the last issue that weather in 1982 was rather severe I think that Winter 1985 has also been rather nasty. Temperatures down to -15C, the canal really frozen, even the brook froze over near the Paddocks and snow drifts near Cornhill were up to eight feet high.

The low temperatures have killed off nearly all of the Spring vegetables and some shrubs are looking rather sick.

But we must struggle on for a few more weeks because nature is winning through. The snowdrops were grand, the crocuses excellent and now the daffodils are just beginning to show colour. Many buds on trees and shrubs are swelling.

The rooks in the churchyard have gone ahead, despite the cold weather and I think many of them will soon be feeding their young.

Another thing rather surprises me. In some fields there are thousands of molehills. Has the mole population increased? Do we need to go back to a village mole catcher?

I saw a rather unpleasant sign of Spring the other day. A hedgehog had hibernated safely through the cold winter and when it woke up it decided to stroll across a road. Someone had put it back to sleep forever and ever. What a pity these little creatures who do so much good, are killed so often. Try and miss them if you can.

F.W.L.

The Parish Mission

Over the weekend of March 10th. Canon Keith de Berry and eight lay people from various Churches near London came and stayed in Bugbrooke. The House Meetings and other events reached a climax on Sunday morning when a good number of people gathered in church to hear Canon de Berry preach and present the challenge of the Gospel. In the evening a film of the life of Christ was shown and the challenge again presented. For some it was the chance to make a fresh start and for all of us it was the chance to re-dedicate our lives to God. Now the task is to build on the mission for the rest of the year.

Church Annual Parochial Meeting

Mr Alf Oliver and Major Donald Baxter were re-elected Churchwardens and it was agreed that in future no one should serve for longer than 4 years continuously. Many aspects of Church life were reported on, and we looked forward to the Mission and to a Parish Day later in the year to plan for 1986. Amidst the re-elections we welcomed three new P.C.C. Members, Mr Bruce Piper, Mr Mick Ward and Mrs Margaret Cooke.

The Churchyard

We are indeed fortunate to have such a lovely churchyard with its beautiful trees, and its open space. However it does need quite a lot of work to keep it tidy through the summer months.

We need volunteers to help with the mowing of the grass, they join a rota so their turn should not come round more than fortnightly, and the mowers are provided. If you feel you can help, and would enjoy being in the peace that nature affords then do contact:

Donald Baxter on 830481.

REGISTERED CHILD-MINDER

Complete provision for pre-school children

2nd Bugbrooke Brownies (Wednesday)

The girls have been busy over the past few months. At the end of last year we held our Christmas Fayre & as a result we donated £40 to the Chronicle & Echo Ethiopian village appeal, £25 to the N.S.P.C.C. & £5 to our church. January & February were spent preparing the Thinking Day.

This year is the 75th anniversary of guiding - there are many national & local celebrations planned especially in June.

We still have a waiting list & can I ask parents who have daughters wanting to join please let me have names & date of birth once the girls are 6. We have many disappointed girls whose names have either got mislaid on the way to me or who have just presumed they can join when they like.

EX BROWNIES Many recruits have asked for second hand uniforms - if yours is tucked away please let me have it - you can keep your badges if you wish. Thank you.

J. Causebrook

1st Bugbrooke Scout Group

The ANNUAL GENERAL MEETING of the above will take place on Wednesday 1st May 1985 at the Primary School at 7.30 p.m. The business part of the evening will be followed by entertainment presented by the Scouts. The meeting is open to all, not just the parents of Cubs and Scouts, and we welcome all friends and supporters of the Scout Association.

The following jokes were all contributed by Christopher King:

Why does Father Christmas carry an umbrella?
Answer: Because of the rain, dear.

What is a ghost's favourite food?
Answer: Spooketti.

Knock, knock.
Who's there?
Ivor.
Ivor who?
Ivor a good mind not to tell you.

500 leadless pencils were stolen from a pencil factory
Police said the robbery was pointless.

Why did the bees go on strike?
Answer: They wanted shorter working flowers and more honey.
