Bugbrooke Link Magazine (Issue No. 19)
August 1986
Editor.....John Sexton.

A NEW LOOK

With this issue "LINK" has a new-look cover. We hope our readers like it and will not accuse us of having indulged in change for change's sake. The striking front cover design and the unique "mirror" effect of the back cover were created by Keith Jenkins who up to a few issues ago was Editor. The excellent photographs - as was the case with our preceeding cover design - were all taken by John Hammons...husband of "LINK's" hard working Secretary. By freely giving their time and affording us the benefit of their expertise both Keith and John have made yet another significant contribution to the further development of your village magazine.

CLOSE VOTE.

It will be noticed that the original link motif - which had been used since the magazines inception - no longer appears on the new cover. A strong case for its retention was made at a recent committee meeting and so close was the voting when it was decided to omit it that there is little doubt that it will re-appear sometime in the future and hence its demise is likely to be temporary.

OUR ADVERTISERS.

The advent of our new cover also marks the commencement of a new "advertising year". As it is the income from advetising that makes "LINK" financially viable we must thank our advertisers for their support of our efforts and express the hope that they will be rewarded with reciprocal benefits.

Link Calendar

We are proposing to produce a calendar portraying our village in photographs which will sell at around £1.50 showing a different scene for each month.

DEADLINE FOR CONTRIBUTIONS FOR NEXT ISSUE - OCTOBER 1st.

A Letter From Your Chairman

As the Link Magazine comes to its fourth year in circulation to every household in Bugbrooke, I feel it is time to reflect on the past and to look forward to the future. We recently held our Annual General Meeting, at which two of the management team stood down to allow new blood onto the team, namely Rev. Tim Partridge and Anne Jenkins who held the position of Treasurer. I would like to thank both of them for their dedication and hard work over the past three years. It was Tim in fact who first sowed the seed for the magazine, when he called for volunteers to meet and discuss the project. I well remember sitting in his study with a handful of other people offering to help, but not knowing anything about producing a village magazine and indeed not knowing where to start. However after various meetings and hours of discussions we decided to go ahead. It was impossible to judge at that stage how the magazine would turn out. But I think you will agree that the "LINK" of Today has come a long way since that very first publication. This is all down to a tremendous amount of hard work by a large band of people who put the Link together six times a year. On your behalf I would like to offer our thanks to everyone who contributes to the magazine's success.

The future too is looking good, with three new members voted on to the management team at the A.G.M. this will hopefully stimulate new ideas and give the readership more variation in content.

We are continually looking for more help in all aspects of producing "LINK", so if you have time to spare please contact any member of the team. Remember 'many hands make light work!' Also if you have any ideas for regular features, why not discuss them with your Editor: John Sexton

Yours Sincerely

JOHN GARDINER

Nature Notes by Bill Lantsbury

I say, what about this for a bit of British Summer? Temperatures in the upper 80's, banks of the M1 on fire because of the drought and the roads melting? Hotter same days than in the Mediterranean. I saw some building workers with a really nice tan!

From a gardening point of view, I like the hot weather. All that is needed is plenty of hose and you get some splendid results.

I did not get a splendid result from one of my gooseberry bushes. I saw that a few leaves were missing from the top but I did nothing about it. The next time I looked over half of the leaves were gone and when I focussed closely on the bush I saw that there were hundreds of tiny caterpillars all gnawing away. The gooseberry sawfly had paid a visit and that bush was stripped.

One very pleasant thing has happened in the garden. We had a spotted fly catcher nest in the pyracantha on the front wall. We could see the birds performing their wonderful fly catching act as we sat and ate our meals. What a delightful pair of birds. They both helped with the nest building. When mother was sitting on the eggs, father caught plenty of flies and fed her. When the eggs hatched they both worked terribly hard to catch thousands of flies and pop them into those ever open mouths.

I did not see them fly out of the nest but I did see an adult fly catcher and a young one catching flies in the field at the back, we could do with more fly catchers coming to us each year. I see the book says they winter in tropical Africa!

My informant, Julian Moulton, tells me three special birds have been seen. A spoonbill and a red necked grebe at Pitsford reservoir.

A hobby has been seen near Upton. This bird I am told can catch a swift or a swallow and eat it!

I find it rather amusing about the apple crop this year. When the blossom was on the trees, people were saying there would be few apples because the cold weather had killed many of the bees. There would be no pollination.

I have never seen so many apples on most of the trees. In fact, at the moment thousands are falling off maybe due to the drought. I think those nasty winds did a bit of pollination.

WALKING IN THE COUNTRYSIDE

The Nene Way. The County Council are planning a path, waymarked and stiled etc, from Badby along the River Nene Valley to end at Wansford near Peterborough. This path is only in outline at present and land owners will be consulted in due course. There are only very few parts which are not following existing rights of way. I will keep you informed as to the progress of this venture.

As you drive (or better, walk) round the countryside of Northamptonshire you will see some new footpath and bridleway signs where a footpath leaves a road. These new signs are marked "Public Footpath" of just "Footpath". In future all new ones will show "Footpath" only. This means that there is a right of way just in the same way as the old signs "Public Footpath to..." told you there was a right of way. By having a more simple sign, the County Council can provide many more than previously. Remember that it is a statutary duty for the County Council to provide a notice where a footpath or bridleway meets a road. There is a new sign on the road just out of Nether Heyford towards Bugbrooke.

By the time this is in print most of the crops will have been harvested and the paths once more clear. Often, winter is the best time for walking.

Can I ask everyone to leave the black and white public footpath signs where they are and not to remove them. They cost 25p each and the Parish Council pays for them. Also, I have to go and replace them!!

W.I. NOTES

Our first meeting after the summer break should have us all hunting out those old family photographs. On September 1st Mrs A. Luntley is coming to tell us about 'Tracing your ancestors,' and the competition will be for a photo of one of those ancestors.

In October we hold our Annual Meeting when we try to keep the business as short as possible to give us time for our usual hot supper. This meeting will be on Monday October 13th (**not** our usual 1st Monday of the month) to avoid clashing with the Harvest Supper.

KNOW YOUR VILLAGE...No:-2 "WHAT'S IN A NAME?"

I am sure we all know that Bugbrooke was mentioned in the Domesday Book exactly 900 years ago as Buchebroc. Its exact meaning is rather uncertain; it could have been the winding brook, the badger's drinking place, the goat's or even the buck's drinking place. All these are feasible in view of the fact that the village was surrounded by forest.
The origins of the names of the village streets are also uncertain. Camp Hill - but whose camp? High Street and Church Lane are even today self-explanatory. Other smaller "streets" have disappeared, such as Kiln Yard where the brick kilns were. Some of the more recent street names are easier to reconcile; here are a few:

PILGRIMS LANE was named after John Pilgrim who died in 1844 leaving the sum of £50 to be spent on books for the Sunday School Children.
LEVITTS ROAD owes its name to Joseph Levitt who was a plumber and glazier and one of the first appointed deacons of the Baptist Chapel in the village. He was "a truly pious, active man and an excellent singer" who died in 1821.
SMITHERWAY: In the fifteenth century there was a track leading from the top of Pilgrims Lane to Cuckoo Barn; its original name was Smith Way.
CHIPSEY AVENUE: The land on which these houses are built originally belonged to the "Blue Coat School", now the Northampton Grammar School for Boys, which was built in 1541 by Thomas Chipsey.
SPENCER CLOSE: This also has connections with the Grammar School, being the name of one of the house-teams there. It also, of course, has current Royal connections.
MOORES CLOSE: This is built upon land which once belonged to Moores Farm.
THE ANVIL, of course is the original site of the village smithy.
MERRIEFIELD FARM dates back before 1700.
GREAT LANE was once known as Post Office Lane, the Post Office being situated on the corner.
ACE LANE used to be called Little Lane.

Within the village many house-names relate to previous uses and point of interest: The Olde Bakehouse, Myrtle Cottage, Appletree Cottage, Holly Bank (there was also once an Ivy Cottage nearby and Vine Cottage stood behind School Cottages, now the Primary School Garden), Quaker Cottage, the Byre .... and so the list goes on, there are many, many more if you look for them. The village is its own self-perpetuating history book.

OLD BROCK.

O.A.P. CONCESSIONARY BUS FARES.

After the 25th. October the now familiar "Bus Passes" will be replaced by a system of "Tokens" which can be offered in part payment for Bus Fares. This will be funded jointly by the South Northamptonshire District Coucil and the Parish Council. In order to assess the number of "Eligible Participants" who will be applying for tokens Mr. Terry Ward has kindly agreed to a list being placed in the Post Office where persons can indicate their intention to apply.
This should be done **at the very latest by 30th. August** in order that the neccesary tokens can be obtained for distribution at a time and place to be advertised later. "Eligible Participants are as follows.

A. Women over 60 years of age who are not employed more than 20 hours per week.
B. Men over 65 years of age who are not employed more than 20 hours per week.
C. Persons suffering from any disability or injury which in the opinion of the Authority seriously impairs their ability to walk.
D. Registered Blind Persons.

As with any new scheme there are bound to be "Teething Troubles" and we do ask for your co-operation.

Any enquiries to Patttishall 830105 please.

Harry Gilkes. Clerk to the Parish Council.

Darby & Joan Club News – Vera Thompson Reports

Phew!! It was summer at last, when on July 16th we left Bugbrooke at 9 a.m. and settled back to enjoy a mornings coach ride across to Peterborough and beyond, stopping just for a coffee break. Off we went to King's Lynn, when we stayed a good hour at Tony Clements African Violet Centre. A welcome hello by the owner, and a talk on the origin and cultivating of the violets. There was time to look around and purchase plants and to enjoy the wonderful selection of colours of the African Violets. Blues, purples, pink's, white and bicolours. Singles, doubles, picot and frilled edged, I am quite sure nearly all of us have a new plant proudly on show on our window sills. Back to the coach, and we sped on our way to the lavender fields! This was just the right time to eat our luncheon, sandwiches whilst en route.
We didn't need to be told when we had reached Heacham, the fields of lavender stretched out like a carpet of shaded mauves. So this time it was shopping for lavender talc, perfume, sachets and plants. A walk round and time for a cuppa, or just to sit and enjoy the view.
Then away to Hunstanton, where we tumbled off the coach and headed for the sea. The sheer bliss of water lapping over our warm feet, and up our legs, so it was up with the skirts girls! Unfortunately we couldn't persuade our gentlemen in our party to roll up their trouser legs.
Refreshed and tided up we went to tea, having an excellent meal and being made wonderfully welcome, making it all a day to remember. So we sang our way home, tired, but content, our arms full of African Violes and Lavenders.
I hope that our next trip to Woodhouse Eaves on August 13th will be as successfull, also our annual date at Burton Latimer on August 25th.
By this time our summer outings will be almost over, but we will have done our best to make this a summer to remember. Whatever might happen in the future, no one can take away the happy memories of our club.
Happy days to all our invalids and to our housebound members. Our thoughts and prayers are always with you.

SENIOR CITIZENS CHRISTMAS GIFT SCHEME.

Following the publication of the article in Issue 18, concerning the Senior Christmas Gift Scheme, we are pleased to give you an up-date on our progress.
A succesSful Cream Teas afternoon was held on Sunday 20th July at Pilgrims Lane, and was accounted by all as most enjoyable, we hope this will become an annual event.
Thanks are extended to all those who donated help - in the form of cakes and hard work, to make it a success, and of course those who supported us. The first committee meeting under the new Chairman - Mr Simon Villette, was held at Pilgrims Lane on 22nd July, where a number of welcome new faces appeared.
Future plans include a Jumble Sale to be held at the Sunday School on November 8th - if anyone has any large items of jumble that they wish to donate please phone 832397, to arrange for collection.
The Christmas Bazaar is arranged for December 6th, also at the Sunday School.
We also hope to organise other fund raising events, including the popular Bingo evenings.
If any other villagers would like to join the committee it is not too late to become an active participant. We would be pleased to see you at our next meeting at 4, Pilgrims Lane at 8 p.m. on Wednesday 17th September.

The Committee.

THE VILLAGE DIARY

Many of our readers have said how helpful they find the "Village Diary" which regularly appears on page 24 of each issue of "LINK". We are glad that this service is appreciated and are grateful to all those people who supply the information contained therein.
We would however like to solicit their help even more by asking them to make sure that they always state the **time** any particular event is being held and the **venue.**
For this particular issue several telephone calls had to be made to complete details for certain entries.
As it is not intended that the "Village Diary" feature should be extended beyond the one full page presently allocated in each issue it is likely that on occasions when this feature is over subscribed that it will be the entries with incomplete details that are most likely to be omitted.

IN BRIEF

CONGRATULATIONS. 1st Bugbrooke Girl Guides have asked us to pass on their congratulations to Kate Bowling who has been a Girl Guide in Bugbrooke since moving here from another guide ocmpany in 1984. She is a fifteen year old from Pilgrims Lane and is the first guide in the District to receive the Baden-Powell Trefoil - that being the highest award a guide can receive. The award has taken the place of what was originally the Queen's Guide Award. We are sure that all "LINK" readers would like to echo these congratulations to Kate and wish her well as she leaves the Guides and joins the Rangers.

PLAYGROUP. The Organisers wish to thank all Mums who have helped at Playgroup during the last year. The Group restarts on 9th September and looks forward to welcoming back Mums, Children and epecially new families.

PRODUCE SHOW. Information is to hand that the Annual Produce Show run by Bugbrooke Playing Fields Association will be held in the Primary School on Sunday 7th September. Entry forms are now available from any shop in the Village and from the Post Office. Alternatively they may be obtained from Frank Flavell of 19 Chipsey Avenue. This produce show is normally one of the village's most successful events and early entry is recommended.

ACTION RESEARCH. Donations of items for the Jumble Sale to be held on Saturday 6th Setember (Sunday School 2.30) would be much appreciated. Please contact Linda Lewis (831363) or Pauline Clarke (831147). Action Research also give preliminary notice that the Craft Fayre will be held on 29th November. Anyone wishing to have a stall at this event should again contact either Linda or Pauline - as above.

CARVERY. Bugbrooke Conservative Association report that their Mid Summer Carvery on July 13th was a great success. Over one hundred members, guests and their families enjoyed their Sunday lunch on a beautiful sunny day in the pleasant surroundings at "Merrifield" High Street by kind permission of Mr & Mrs M.R. Adams.

BUGBROOKE FLOWER FESTIVAL - 1986
BEHIND THE SCENES

Anyone who may have seen me hurtling down Butts Hill on a bicycle, carrying a plank of wood speared with 4" nails and wrapped in wire netting, with a plastic bag on my handle bars and coils of wire and secateurs sticking out of my saddle-bag, one Friday morning in June, would be forgiven for thinking I was on my way to either an electricians open-day or the local session of the Spanish Inquisition! In fact, I was going to "set up" my display in the Flower Festival. During the course of Friday the church was full of ladies perching on pew-ends, loitering on ladders, and conniving in corners, while one or two seriously threatened their welfare by sitting in the aisles doing wreaths for pew ends, and garlands for choir stalls.

Perhaps many of you don't know that we start to plan all this in the depths of February, holding riotously unorthodox meetings and trying to work out what will be in bloom later on in the year. You see, we each purchase our own flowers; these are not paid for by the church. And that is why we want more of you to come and see the results of our labours. Bring a friend - bring lots of friends! If each person who comes to look round puts 10p in the jar at the door, we shall feel it all much more worth while.

Many of you not only came but gave generous donations - to you we say a big "thank you". To those who missed it, we would say book the date - June 20th - 21st 1987. You'll be surprised how much talant is on display.

By one of the Flower Ladies.

BUGBROOKE FLOWER SOCIETY

What promises to be an unusual, interesting and educational event has been arranged for Friday 24th October 1986 at Campion School....7.30pm. The Flower Society have aptly entitled the evening "BEAUTY AND THE BEAST".

It is not hard to guess that the "Beauty" refers to flowers and the first half of the entertainment will consist of a demonstration by Lee Berrill....a well known flower arranger.

The "beast" alludes to a demonstration under the sub-heading "Ways with Meat" and which will be given by a member of the Meat and Livestock Commission.

Tickets for this unique dual purpose evening are £2.00 each and are obtainable from Joan Chester (831379) or Jill Turland (831698) both of whom would also be pleased to give any further details.

THE ROYAL BRITISH LEGION - WOMENS SECTION.

At our June meeting we were pleased to welcome The Rev. David Saint to talk to us about the B.B.C. and our own local Radio Northampton. This turned into a very lively discussion on why we have to pay licence fees, what the fee is made up of and why do we keep getting repeats etc. Everyone enjoyed themselves very much.
In July after discussing our forthcoming Fete the members enjoyed home-baked rolls made by Mrs. Harvey, followed by Bingo, again a very enjoyable evening.

Enid Pell - Hon. Treas.

BUGBROOKE VILLAGE BONANZA

Bugbrooke Playing Field Association would like to thank everybody who contributed to the success of their 'Bonanza'. The final total raised over the weekend was £1486. This could not have been achieved without the effort of many individuals and the general support of the village. Thank you.
If anyone has any comments or ideas for next year perhaps they could contact any member of the committee.

1st BUGBROOKE SCOUT GROUP

On Sunday 15th June the Scouts took part in the annual Rotary Club Raft Race. They started off at about 11 o'clock, and finished the four mile course a little over five hours later, in a test of grit and determination. They completed the course despite having to battle against a very strong wind, and buckets of water from fellow contestants!
The majority of the Scouts played a part in the effort, by building the raft, taking part in the race, or by raising sponsorship money - so far over £200 has been collected. Half of this amount goes to the Rotary Club Appeal which this year is for Northampton General Hospital and disabled youngsters in Northamptonshire. For their efforts the boys wonthe Hazel Adams Trophy for the "Best Endeavour in the under 16's Class" with a £10 prize.
The Scouts would like to say Thank You to those parents who helped and supported them in this venture.
To the boys themselves - "WELL DONE"!

1st BUGBROOKE GIRL GUIDES.

Well, the Camp at Castle Ashby went off without a hitch. Fabulous Summer weather, with most of us improving on our tans or even getting a little sunburnt. (One guide even managed to burn her ears!) We all had a great time, enjoying Cordon bleu cooking, fun & games. Wood collecting proved popular, with our resident ape shinning a tree to help with a stubborn branch. (That same guide was also the only one who managed to step into the greasepit! YUK!!)
Thanks to all the parents for supplying the delicious pies, cakes and biscuits, and for letting their girls attend.
Since the camp we've had sports evenings, a barbecue at Heyford and a picnic down by the Canal.
The girls should now be pressing a few common wild flowers and leaves, or a few out of their gardens (with permission) through the Summer holidays, ready to make bookmarks or Cards when we return.
Girl Guides Yvonne Wilson, Lynne Gordon, Tracey Faulkner and Sarah Hutchins took part in a Divison outdoor Cookery Competition held at Newnham, Near Daventry. The Scouts and Guides from around the county took part, but Bugbrooke came 2nd out of the Guides and 2nd overall, so well done!
There's the ice skating trip to look forward to on October 11th. The coach will be leaving the Sunday School at 6.15 and leaving Solihull ice-rink at about 10 p.m. Depending on how many guides decide to come, it should cost between £2 and £3.50 each. There may be room for another member of the family depending on the response. After the holdiays please return to guides with a firm decision on whether your guide can attend, so we know how many extras we can invite!

1st BUGBROOKE RANGERS

On 6th July 1st Bugbrooke Rangers organised a stall for the Playing Fields Fete. We raised quite an amount of money.
As the Ranger Unit is a relatively new organisation we would welcome any new members. People who are interested between the ages of 14-18 years and would like further information about the Rangers and their activities please contact Anna Ross at 60, John's Road.

Bugbrooke Arts News

St Michael's Music Society

The new season is almost upon us, but our programme has yet to be finalised. To whet your appetite this is what we have planned up to the end of the year:-

September 6th	Trip to London. "Music from Spain" concert at Royal Festival Hall. Cost including coach - £9. Contact Judith Piper (832292) for details.
October 18th	Sitar & Song recital followed by wine & cheese, in the church.
October 25th	"Carmen" by Kent Opera at Derngate.
November 15th	Come & Sing (or listen) at the Rectory.
December 20th	Traditional Village Carol Singing followed by supper.

For the first half of 1987 we have provisionally arranged someof our most popular programmes including "Musical Lollipops", a Young Peoples Concert, The Towcester Studio Band and a Spring Anthology. Full details of venues, dates and times will be published in subsequent editions of "LINK".
Additionally we hope that we can plan a visit to "The Stables" at Wavendon when their programme has been finalised.
New members are always welcome. For further details please contact me - Sue Pace (Musical Director) on 832516.

BUGBROOKE AMATEUR DRAMATIC SOCIETY

Anne Howard's Cookhouse Door

There must be many readers who are vegetarians - if you are try this recipe:-

Vegetables cooked in a homely manner (Serves 4)

2 lb (900 g) potatoes, peeled
4 oz (110 g) Cheddar cheese
1 onion, peeled
2 tablespoons oil
salt and freshly ground black pepper
3 leeks, washed and finely chopped
1 lb (450 g) carrots, scrubbed and diced
1 small cauliflower, divided into florets
1/2 lb (255 g) mushrooms, wiped and sliced
2 tablespoons oil
2 teaspoons fresh parsley or rosemary

For the topping:
4 oz (110 g) grated cheese
1 tablespoon fresh parsley,
finely chopped

Pre-heat the oven to gas mark 4, 350 deg.F (180 deg.C).
Grate the raw potatoes, cheese and half the onion by hand or in a food processor. Mix in 2 tablespoons of oil and season well. Press this mixture into a 9 inch (23 cm) deep pie-dish, building up the sides to form a shell. Bake in the oven for 45 minutes until the crust is just beginning to brown.
Meanwhile prepare the vegetables. Heat 2 tablespoons of oil and fry the remaining onion (chopped), leeks, carrots and cauliflower florets slowly for 5-10 minutes, turning them over in the pan. Then add the sliced mushrooms and continue cooking all the vegetables for a further 5 minutes with the pan covered. Add the herbs, salt and freshly ground black pepper.
Next pile the vegetables into the baked cheese and potato crust and sprinkle 4 oz (110 g) cheese mixed with 1 tablesppon chopped parsley over the top. Bake for 20 minutes until the edges of the shell look crisp and the cheese has melted. Serve hot.
The beauty of this dish is that it can be easily adapted to whatever vegetables are in season.

Bugbrooke Primary School Association News.

September sees the start of a new school year and the creating of a new committee for the Bugbrooke Primary School Association. Due to the fact that their youngest children are moving up to Campion, we are losing two very helpful and supportive members Jim Inch and Chris Perkin, and the rest of the committee wish to thank them both for everything they have done over the years. The school would like to hear from any parent willing to stand for election to the committee, before the AGM to be held at the Primary School on 18th September at 7.30 p.m.

Also leaving us for this year is one of the school's favourite teachers Chris Bazeley, who is taking over as Acting Headmaster at Woodford Halse. He also has been a very dedicated member of the committee and we are all very sorry to see him go.

Friday Sept 12th sees the start of a new season of films to be shown at the Primary School. As you can appreciate, the cost of hiring these films has been rising steadily and we have no option but to increase the Club Membership fee to 50p a month. We are also changing the day to Friday so that more children will be allowed to attend. The first film to be shown is 'Return of the Jedi' and we are hoping for a good attendance to see this very expensive but popular film.

Rosemary Harries.

Hello reader. XP can make your life somewhat easier too. A lot easier. By providing express overnight transport to thousands of towns and cities. Through 52 offices. In 18 European countries. Plus New York City.

We pick up your packages and documents before the end of the afternoon. And deliver them before lunch the next day. From door to door. Including customs clearance. Fast? It is. Yet XP doesn't have to do anything special. XP just does its job.

With its own well oiled system. A daily system with a whole range of facilities.

A fleet of XP vans - waiting to pick up your package. A fleet of XP planes - flying overnight to all parts of Europe. A group of specially trained XP people ready at the customs clearance office. And a fleet of XP vans, waiting to speed your shipment to its final destination. Tomorrow. Before lunch.

How does it work? What does it cost? Freefone XP or return coupon for full information, plus a Service Guide. Want to test our system? Then freefone XP and the XP-system starts to work for you.

Campion Mixed Hockey Club

Campion Mixed Hockey Club are looking forward to the new season and are holding a general meeting on Sept 16th at the five Bells at 7.30pm. Anyone interested is invited to come along and new players, particularly ladies, will be very welcome.

Bugbrooke Ladies Netball Club.

We've just come to the end of another sporting year, and what a busy and rewarding year we've had. A Coffee Evening, two Discos, a night out at Turners Musical Merry-go-round, to a day trip to Wembley to watch England play a Senior International against the Australian Institute of Sport. The standard of netball played that day was breath taking. We also enjoyed supporting 2 'local' teams, Carlsbery Linnets and Cogenhoe, in the finals of a national club tournament.

On the sportside we've completed the N'pton Senior Netball Winter to Summer Leagues, the Kitchen Classics League, to 5 tournaments including one for Sport Aid to a mixed tournament where we entered 3 teams of 3 men and 4 women. All 3 teams did very well, with the A team finishing Runners-Up for the second successive year. In the Winter League the A team finished 7th, their highest position since we joined the League. This put them in the 2nd Division in the Summer League, which they deservedly won. The B team came 3rd in the 3rd Division of the Summer League, but I think their proudest moment was when they were given a special Award by the Committee at the Annual Presentation Dance. The Award was for Blucars B, who despite being near the bottom of the league, still remained a nice team to play against, and umpire, and had improved their standard of play, particularly towards the end of the season when they achieved some very good results.

Our AGM is on August 20th at 8.00 p.m. at the Bakers Arms and practise restarts in September at Campion Sports Hall, 8.30 - 9.30 p.m. Anyone is welcome to come along to both.

BUGBROOKE ST. MICHAELS F.C.

We shall have Four adult and Three Youth Teams for the 1986-7 season. These will consist of:- 1st team, reserves, A + B sides for the adults, and under 15, 13 & 12 years for the youth teams. If anyone would like to help with the running of our youth teams who play on Sunday, please contact John Curtis - telephone 830317.
The Club will continue under the guidance of John Mundy - Chairman, Roger Geary - Secretary, Marion Curtis - Treasurer and John Curtis - Club Manager.
These officers have guided the club through its magnificent progress in recent years, and now form a very experienced and capable team. Bryan Curtis with Mr & Mrs Flanagan and helpers will continue with their excellent work with the clubs social activities.
We all look forward to another successful season.

K. Hollowell.

Summer Tour - Germany

From 25-29th July the club went on a tour to the village of Vohl near the Eder dam in West Germany. We played two matches. In the first match there was some exciting end to end stuff, with Bugbrooke coming from behind to level the scores. The older more experienced members of the party suggested this would be a suitably diplomatic result to stick with but the younger element pushed for a second match claiming they could get a favourable result. However two hard nights and several litres of Germany beer later the inevitable happened. We started brightly enough but when they brought on their 'fresh first team players' in the second half the legs started to drag and when John Curtis came on as substitute everyone - even the home side - knew we had thrown in the towel. The final result was 2-0 but some said it was a travesty - I'm not sure who to!
Off the pitch the hospitality showed was second to none, most of us staying with German families. We hope that they will be visiting us next year so we can repay some of their kindness.

Brian Curtis.

ST. MICHAELS 74 CRICKET CLUB

Once again, it is my very pleasant duty, to be able to tell you, that, at the current time, the Club stand firmly at The Top of Town League Divison 3. The Clubs position must go down to some wonderful team performances, but also some memorable individual efforts have cetainly swung games our way. On the batting side, John Nuttall, on several occasions, has shown his class and a superb innings against British Timken won the day. Dean Cattell, who would admit he was not on song, same good on Saturday 26th July, against Old. After being at one stage 1 for 2, Dean went in and steaded the boat, grafted hard and truned the game, with 67 not out. Good support from Roger Clarke and Mike Hogg, secured the points. On the bowling front, as modest as I am, I must say that this has been my best season for some years, which has pleased me and also my team mates. Paul Cattell, still very threatening with the ball, has certainly earned his stripes and Gary Abbott, in every game this season, has shown skill, cunning, and strength, in holding our opponents at bay. Harry Botterill, who in recent years has won praise with either Bat or Ball, finds a new lease of life this season, behind the stumps. With some of his diving catches and stops, he has proved to us all what a good all-rounder he is. So as you can see, it has been already a very promising season. Hopefully, by the time the next edition of Link appears, I shall be able to say that we have become Champions for the second time in three seasons.
We are always looking for anyone who would like and enjoy a game of Cricket, especially young players. So if you or you know of any youngster who is keen, please do not hesitate to contact me or come along to any of our home games and speak to captain Bob Cattell or myself.

BUGBROOKE RUGBY FOOTBALL CLUB.

Training for the 1986/87 Season has now started in earnest and initial attendances have been most encouraging. The day for training is Tuesday; the place is the Playing Field; the time is 6.00 p.m. Any prospective playing members please contact Club Captain Terry Newcombe on 831806 who will give all details and answer any queries. There will be a trial game on Saturday September 6th.

The first matches of the season are on Saturday 13th September and as usual are against Colworth....our 1st XV playing away and the 2nd XV at home. The 1st XV then have two home matches on consecutive Saturdays versus firstly A.E.I. Rugby and then Earlsdon (Coventry).

Great interest is being shown in some new fixtures which have been arranged by Fixture Secretary Graham Cooper and include St. Ives (Cambs), Bretton (Peterborough), Nuneaton, and Caludon Castle...another well known Coventry Club. The acceptance of fixtures by these old established clubs is a tribute to the progress made by Bugbrooke R.F.C. during its relatively short existance.

Chairman Glyn Francis and all members of the Club were delighted to hear that Graham Cooper's recent spinal operation had been so successful and wish him a very speedy recovery to full health.
