1915

(Friday afternoon) Dec 10th. . . As Secretary of the Roanoke (Woodmen) Committee I was detained at the Station all the afternoon. . . . The work of the present week is a great strain, and I am at work almost every night till midnight. . . . .

Dec 13th (Monday) The Rev J. D. Harrier and Mr Pate have urged me to remain out of school this afternoon for recuperation I have prepared all the work for the term's end

14. W. Carter visited

23 Closed school at Noon for the usual fortnight Xmas vacation

1916

Jan 7th Re-opened school. I have written to W. S. Smith, coal contractor, Newton informing him that our order for the coal sold dated Dec 22 had received no attention, and that, if first at mi I would not hold myself responsible further, that the order for Ton, given on Nov 25,

had never been completed. The Weedon contractors have given me a very great deal of extra trouble long before the War to get the supplies delivered.

Jany 12 As the Contractor has taken no notice whatever of my application, I have written the facts to Rev E.V. Harrison, (Chairman of the Local Managers) Tuberculosis, the Rector kindly sent us a stock of coke, and also half a ton of coals from W. Barnard and reported the matter to the Secretary for Education

Examined his registers & found them fully carried.

Lieut: V. Hannis.

Jany 17 W. Parker, C.C. Surveyor & Builder, visited this morning at 11.15 am to examine the Offices, etc..... W. Parker, attendance officer, visited at 1.30 this afternoon, and spoke to several children about their attendance.

March 27 The Rev S W Harrison visited this morning. (Monday)

28 (Tuesday):- There has been a very heavy snow-fall during the night, and at 9. a.m the fall still continued. Trees, telegraph-poles, &c., are broken down, and there are deep snow-drifts all over the place. At 9 o'clock there were just 51 children on the place. The weather is dreadfully bad, but, for the time, we are snowed up. - I have written to this effect to the Rev S. W Harrison, (Chairman)

** The Rector at once visited, and approved of what we (the teachers) had done under the emergency; and further directed me to use my judgement of how to act in the afternoon.... At 1.30 there were but 37 children present, and I therefore kept them in the dry and warm, without further restrictions. S W H

1917

Jany 8th Re-opened school.

15 W. Painter called

22 The weather is intensely cold, — colder than it has been for years. Wm K. Wright is absent, unwell.

30 The Frost and the cold Weather — I have done my best (has best two years especially) to be economical with the coals and coke, but during the last few weeks, it has been so very cold the kind Frost in the morning, (the Thermometer ranging 2°, 4°, 6°) that I have at last ordered a small coal fire to be lighted in our large school room, for last one hour or two.
