Dear Member

GETTING INVOLVED REGISTER

As a valued member of Northants 50+ Network we are writing to ask whether you are willing to get involved in helping your County Council to improve the services offered to the over fifties and to get a service that meets your future needs.

This could be through completing a questionnaire, attending a focus group meeting or acting as a mystery shopper. All activities would be voluntary and any necessary training and information would be given and reasonable expenses paid.

Your details would not be shared with other agencies without your permission and would be used for consultation purposes only helping your County Council improve services.

Please find enclosed a Getting Involved Database form for your completion and return in the prepaid envelope. To show our appreciation and thank you, we will be holding a prize draw for **£50 of Marks & Spencer vouchers** on the 30th September, so please return the form as soon as possible to be included in the draw!

Should you have any questions please do not hesitate to contact me on my direct dial number above.

Kind regards
Yours sincerely
